TONOPAH MINING

MAN NOW IN CHARGE

AT MANHATTAN

FORMER MACNAMARA SUPERIN-

TENDENT LOCATES IN
PLACER CAMP

Special to the Bonanza

MANHATTAN, July 13.—B. I. Hoxsie, for several years foreman of the MacNamara mine at Tonopah and for the past two years foreman of the quartz property at Graniteville, Cal., has arrived and taken charge of the Manhattan-Earl as superintendent under the S. H. Brady management. He is an exceptionally competent miner and has made a good success everywhere he has been in charge. It is understood that Mr. Hoxsie is equipped with a complete set of maps and profiles intended to guide him in sinking to catch the several big ore shoots of the Consolidated leasers on their rake to the westward. It is admitted that this theory constituted the sole reason for Brady's making the investment and selecting the Earl as the most likely prospect for a big mine in the camp. Mr. Hoxsie's first duty is the erection of the plant, sinking to be inaugurated in due course.
